 - Llanglydwen i fynd o 30 i 20, fodd bynnag, o'r bont heibio Fforest a hyd at yr arwydd i aros yn 30. Mae cynnig wedi ei wneud i newid y rhan yma i 20 gan ei fod yn gul iawn
 - Hebron i fynd i 20 mya
 - Ffynnonwen - Mae DP wedi cynnig gosod terfyn cyflymder yma gan nad oes dim byd yma ar hyn o bryd
 - Garnwen - mae DP wedi cynnig cyfyngiad cyflymder ar bwys Garwen

Cam gweithredu: Pawb i ymateb i'r cyfyngiadau cyflymder ar ffyrdd preswyl cyfyngedig â golau stryd cyn 9 Rhagfyr

- Adran 106 LDP – ffi cynllunio. Os ydych yn addasu ysgubor, codir ffi; os yw'n llety gwyliau yna nid yw'r ffi yn berthnasol. Os yn adeiladu tŷ newydd mae Adran 106 yn berthnasol, h.y. ffi cynllunio o £76 y metr sgwâr, llawr a llofft. Ar hyn o bryd mae'r arian hwn yn mynd tuag at dai fforddiadwy ond yn y dyfodol byddwch yn gallu gofyn am yr arian hwn i fynd tuag at brosiect cymunedol fel maes chwarae, ysgol neu neuadd. Os cyflwynir cais cynllunio mae'n bwysig gwneud hyn ar y dechrau. Mae DP yn awgrymu y gallai'r ffi cynllunio yma fynd tuag at Gofeb Twm Carnabwth; pawb i gadw llygad am hyn.

8. UFA

- **Cam gweithredu: AJ i drafod pryder ynglŷn â gwaith datblygu ar bwys Maesyfelin gyda DP**
- Mynogodd VW ei fwriad i dynnu'n ôl o'r cyngor cymuned ym mis Mai, ar ôl gwasanaethu fel aelod am nifer o flynyddoedd.

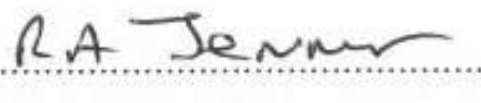

9. Dyddiad y cyfarfod nesaf

- Nos Fawrth 31 Ionawr 2023 am 7.30yh yng Nghaffi Beca.

Terfynwyd y cyfarfod gan y Cadeirydd

Cadeirydd:

Dyddiad: 31/01/2023

Atodiad 1 – darparwyd gan Julie Sweet

Cilymaenllwyd Parish Meeting 29.11.22 6.45 pm Caffi Beca.

Footpaths –

Progress has been made on some of the footpaths that were put forward at the 27.9.22 meeting at Caffi Beca.

Footpaths put forward for Login and Cwm-Miles were – **4/7, 4/12, 4/13, 4/16, 4/19 & 18/42**. I have highlighted in bold the Login footpaths forwarded to the Council by Councillor Phillips.

Footpaths **4/7**, 4/6 & 4/8 are proposed new footpath routes that the Council are aiming for. These are long term rights of way ideas that the Council are in charge of and we can't proceed until they are rights of way.

Footpath - 18/43, part of the *Landsker Borderland Trail*, has been cleared at the Login end and access is good all the way to Cilgynydd Farm and Crosshands. There is some signage.

Landsker Borderlands Trail has now been classified as a long-distance route by the Council. This means that it should get regular maintenance by the Council ranger team.

This would therefore include footpaths from Cilymaenllwyd parish 18/42, **4/12**, 4/10 & 52/8. These footpaths should get maintenance through the Council and any issues reported should be dealt with quicker than other footpaths not on the Landsker Trail.

Footpath - **4/13** has been cleared at the road end by Login village. I understand Jason Lawday from the Council visited week commencing 14.11.22 has visited the landowners and this path may move slightly to improve access but the entire footpath can now be walked.

Footpath - **4/12** has been further cleared and widened. Access is good but still a bit of a scramble in places due to the wet ground to Cilymaenllwyd Chapel. This path is signed. There are drainage issues which the Council are aware of and Jason is due to visit again 13.12.22 to see the viability of a proposal put forward by the landowner.

Footpath - **18/42** has a tree just fallen by the junction of **18/42** & 18/43. Jason visited on 25.11.22 and surveyed the area with Julie Sweet. Jason has gone away to research if it is more cost effective to move the current right of way to the opposite side of the river/stream. This would make a bridge cheaper as it is a shorter span and there is a permissive path already where a previous path was.

Footpath - **4/19** still has access issues where the trees have fallen in the steep section. The council have replied...

"A path inspection was carried out. The issue regarding the windblown trees has been discussed with the landowner, who intends to remove them as part of ongoing forestry operations. It has been logged as legal issue number 13998."

Pont Dol-Wilym which leads to the Cromlech, Gwal y Filiast, from footpath **4/19** - has had

another 6 months closure extension. The Council hope a new bridge which will take the weight and width of a tractor as per the landowners' requirements will be in place by June 2023.

All the Community Councils have been contacted to ask them to put forward routes that they considered to be priority routes for their communities, but due to the level of resources available, this is to be limited to 10% of the total network within the Community. Jason Lawday states he is not directly involved in this, but believes that it amounts to an overall length in metres, rather than a specific number of paths that could be prioritised for regular maintenance by the rangers. Potentially, this could be increased with volunteer assistance. It's not too late to submit Community priority paths.

Therefore, as several of our footpaths within Cilymaenllwyd Parish form part of the Landsker Trail and are now subject to potential regular maintenance we should consider other footpaths that are already open but have maintenance or small access issues.

It would be time consuming to accurately measure the total distance of Cilymaenllwyd footpath network in metres. But to submit short sections of problem paths which can be measured on the Ordnance Survey (OS) map should be adequate.

So, if Login footpath volunteer group could put forward;

Footpath **4/19** which has good access but the length to be submitted as a priority route for maintenance to the Council is map reference SN16516 24908 to SN16487 25097, a length of approximately 200 metres.

Footpath 4/20 which is between Login and Efailwen has good access but access issues around map reference SN16042 25369 to SN16308 to 25583, approximately 350 metres. Also, the same footpath but further along the footpath, map reference SN 16695 25875 to SN 16962 25943, approximately 240 metres.

Funding for footpaths.

Julie Sweet roughly investigated funding:

[Paths to Wellbeing through the ramblers opens next year about June 2023. They would provide assistance and fund certain path furniture. Jason thinks Cilymaenllwyd would be a good candidate and would be supportive.](#)

Welsh Heritage funding.

Previous grants have been given for a variety of footpath themes. Because footpath networks link communities this may work best if we work in collaboration with the County Council, the Parish Council and the community. Also, it could go beyond Cilymaenllwyd and perhaps incorporate Llanboidy Parish and perhaps Llanfallteg, so make it a ward? Also, this grant has to be submitted in Welsh. Funding available up to £100,000.
